 COURSE PROGRAM**

State Fire Training (SFT) continues direct involvement with the National Fire Academy (NFA), in delivering various two-day courses throughout the State. California was granted nine two-day courses. There is one final six-day NFA course remaining for this year, see below.

For Federal fiscal year 2016 (October 2015-September 2016) the NFA has approved the following list of courses including dates, course title, location and local host agency contact information:

**Prospective Students-Two day courses**

Those that wish to attend a NFA off campus course must do the following; determine the class you wish to attend, obtain a Student Identification Number (SID) from NFA, contact the host agency listed below, and provide a NFA application (FEMA Form 119-25-2). It is important that students obtain the SID for submitting their application to the instructor/host agency prior to the course.
